We are so sure that you will be happy with our tags - THAT - if for any reason you are not satisfied after your first month of sales, you can return the display and KEEP THE ENTIRE PROCEEDS FROM PET TAG SALES FOR THAT MONTH. No invoice will be sent. We have always offered this guarantee but we have never had a pet store take us up on it. After one month it is obvious how valuable our service is. We go to great lengths to keep your customers happy!
